# TASK FORCE WORKING GROUPS

The Task Force is organized into seven working groups, each comprising 15-34 experts from around the world having broad experience in different dispute resolution practices, many of whom already have experience in mixed mode practices. Each working group has at least two co-chairs. They are organized in conceptual chronological order as follows:

- **Working Group 1:** Upstream conflict management processes (e.g., dispute resolution clauses including tiered/stepped processes) (Co-Chairs: K. Paisley (BE), J. Player (GB) & T. Stipanowich (U.S.))
- **Working Group 2:** Neutrals facilitating tailored process design (evaluative and non-evaluative) (Co-Chairs: L. Kaster (U.S.) & J. Lack (CH))
- **Working Group 3:** Mediators using non-binding evaluations and proposals (Co-Chairs: K. Fan (HK) & V. Fraser (CA))
- **Working Group 4:** Arbitrator Techniques and their (Direct or Potential) Effect on Settlement (E. Sussman (U.S.) & K.P. Berger (DE))
- **Working Group 5:** Neutrals switching hats (M. Mironi (IL) & T. Stipanowich (U.S.))
- **Working Group 6:** Finality and enforceability of facilitated and arbitrated “Mixed Mode” outcomes (K. Paisley (BE) & J. Player (GB))
- **Working Group 7:** Future directions: Interaction between mediators and arbitrators (D. Masucci (U.S.) & D. Nigmatullina (RU))
